1958
TOLO ANNUAL
FRANKLIN
HIGH SCHOOL
SEATTLE, WASHINGTON

TO A GREAT MAN

We, here at Franklin High School, are proud to dedicate this 44th edition of Tolo Annual to our beloved principal, Mr. Walter J. Reseburg.

By giving himself untiringly in the capacities of teacher, coach, counselor, vice-principal, principal, and friend for more than 45 years, he has guided us and many other students in our pursuit of high ideals.

His never-ending drive for good sportsmanship, high scholastic standards, and enthusiasm for worthwhile things have been an inspiration to many thousands of students who have passed through the halls of Franklin.

As Mr. Reseburg "graduates" with the Class of 1958, he leaves behind him a Bellamy Award school which was so honored because of his hard work and his fine examples of democracy and fair play. Just as in the heart of Mr. Reseburg there can never be another school, so will Franklin never be able to replace him. We shall always remember his great love for athletics of all kinds. Our school spirit has been only a mirrored image of Mr. Reseburg's spirit.

The school is experiencing a great loss and is grateful for his guidance. Ben Franklin would be proud of our Mr. Reseburg.

OUR PRINCIPAL SPEAKS

WALTER J. RESEBURG
Principal

Graduation time again! This year I made it. After forty-six short years I can finally consider myself a Franklin graduate.

I first entered our beautiful building in the year 1912. Everyone has always been so kind and considerate so I just stayed on and on.

I can truthfully say that Franklin has always been a friendly school. Over the years we have built certain definite opinions into our philosophy. We have established an environment in which all may experience maximum democratic living. We have every freedom, and the large majority of our people feel personally responsible not to abuse these privileges. We place limitations on no one and believe wherever desire and industry prevail, happy and effective lives will follow. We subscribe to the principle of self-evaluation and self-discipline and honest desire to improve in scholarship and human relations.

The large majority of our teachers are dedicated to the youth of our country. The objective uppermost in their thinking is to build honest, hard-working, cooperative and loyal American citizens.

Meeting so many wonderful parents, teachers, graduates and pupils has been a rare privilege and a happy experience. Now that I am leaving this warm place for the "outer space" of retirement from teaching I wish to tell you that I shall always remember Franklin with love and sincere affection. May you live long and prosper.

W. J. RESEBURG

THROUGH THE YEARS

WALTER J. RESEBURG CAME TO FRANKLIN IN 1912

1912 to 1914 . . . Taught Languages

1914 to 1932 . . . Taught Science and Mathematics

1913 to 1920 . . . Coached Football, Baseball and Basketball

1914 . . . Senior Class Advisor

1920 to 1932 . . . Boy's Club Advisor

1932 to 1947 . . . Vice-Principal

1938 to 1945 . . . Golf Coach

1945 to 1958 . . . Principal

Young people, look to the future! Can you picture your self fifty years from now, looking backward to appraise the true wealth of the life you have lived? What would you like to see spelled out in the history of your own life?

Would you evaluate your life on the basis of the number of dollars you had taken in, or perhaps the number you had been able to retain? Would you set some other material criterion, such as jewelry, furs, or other luxuries? Would your goal have been to create new ideas or new products to add to the convenience or comfort of your neighbors? Would the actual construction of buildings, appliances, or machines have been your contribution? Would you gain your satisfaction from raising a family by good Christian principles?

Our principal, Walter J. Reseburg, now stands at this crossroads. He is a man young in spirit and rich in experience. He has many vital and useful years ahead of him. Let us take a quick look at the accomplishment of his career. We see 45 years of dedicated service to Franklin High School; over 20,000 students have been influenced by his philosophy; people in all walks of life have become more valuable citizens because of him; he has been genuinely beloved by all who have known him; he has made this world a more beautiful and pleasant place in which to live.

You young people are just now deciding the course of your life. Surely the satisfactions that accrue during a lifetime are adequate reward for the extra effort you must now make in order to achieve these things

The Senior Cabinet Speaks

These are critical days in the affairs of man. The world situation has created a national urgency—something must be done. The schools of our country have been put in the national spotlight and the so-called "experts" everywhere are telling us what changes should be made in American Education. There is much shallow thinking and much more shallow talk about where and how our schools have failed. We agree that in education as in all situations, there is room for improvement, but we do not believe our school has failed.

Today we are High School Seniors—tomorrow we will be young adults inheriting a mixed-up confused world. If we had our way the world we face would be much different than it is, but we had nothing to do with the mess that it is in. Nevertheless, we are confident that we will find the answers to the problems we inherit.

In the past, Franklin alumni have performed very well in times of peace and in national emergency. Their accomplishments have won national recognition as demonstrated in the Bellamy Award to our school.

The challenge we face today is unlike that faced by any other graduating class in Franklin's history. While the world teeters on the brink of total destruction we must plan for a lifetime.

Because of the democratic practices exercised in our school in the true Franklin spirit, we face the future with confidence and self-assurance.

The Franklin Spirit means many things, all of which exist in our school because of the philosophy of one man. His true heart is the good in all men, even as Ben Franklin believed, has made our school a wonderful place in which to live, to learn, to grow, and to teach.

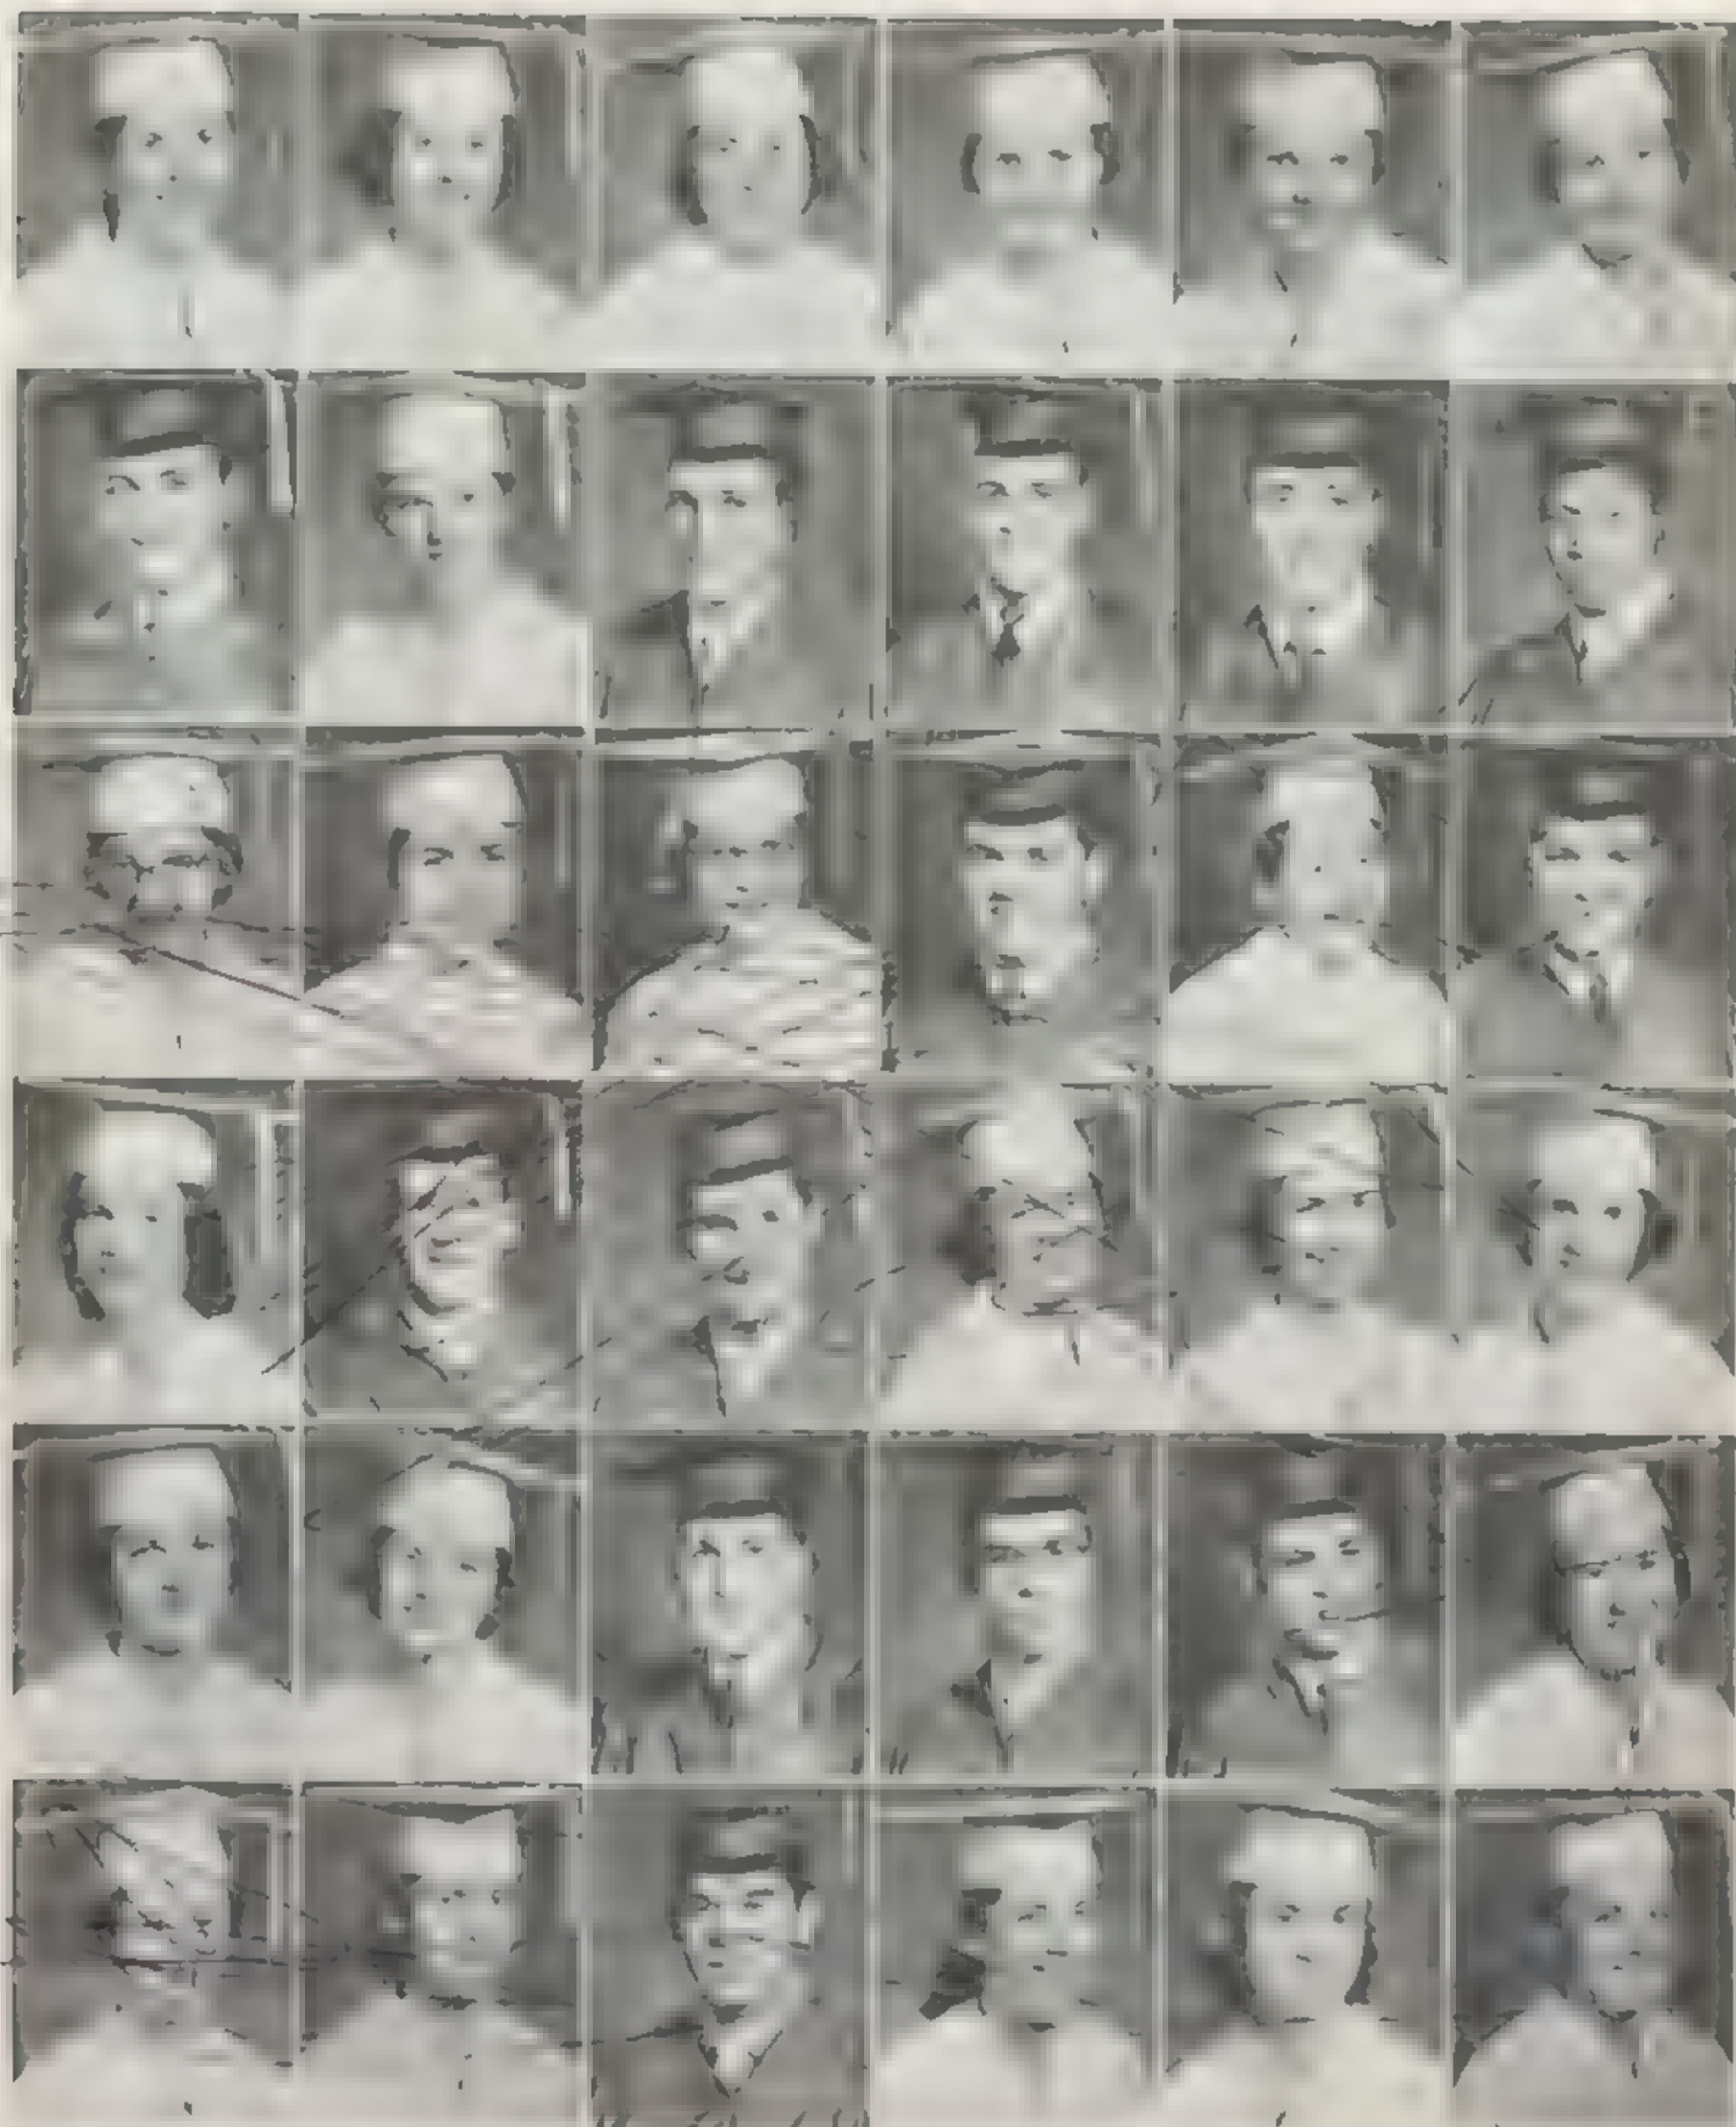

His unselfish dedication to you and me and all the thousands of students who now make up the largest part of Franklin alumni has been basic in the creation of our Franklin traditions of which we are most proud.

With these thoughts in mind, we the Class of 1968 wish to acknowledge the person who has given so much to us in the true Franklin spirit—our own and very dear Mr. Roseburg.

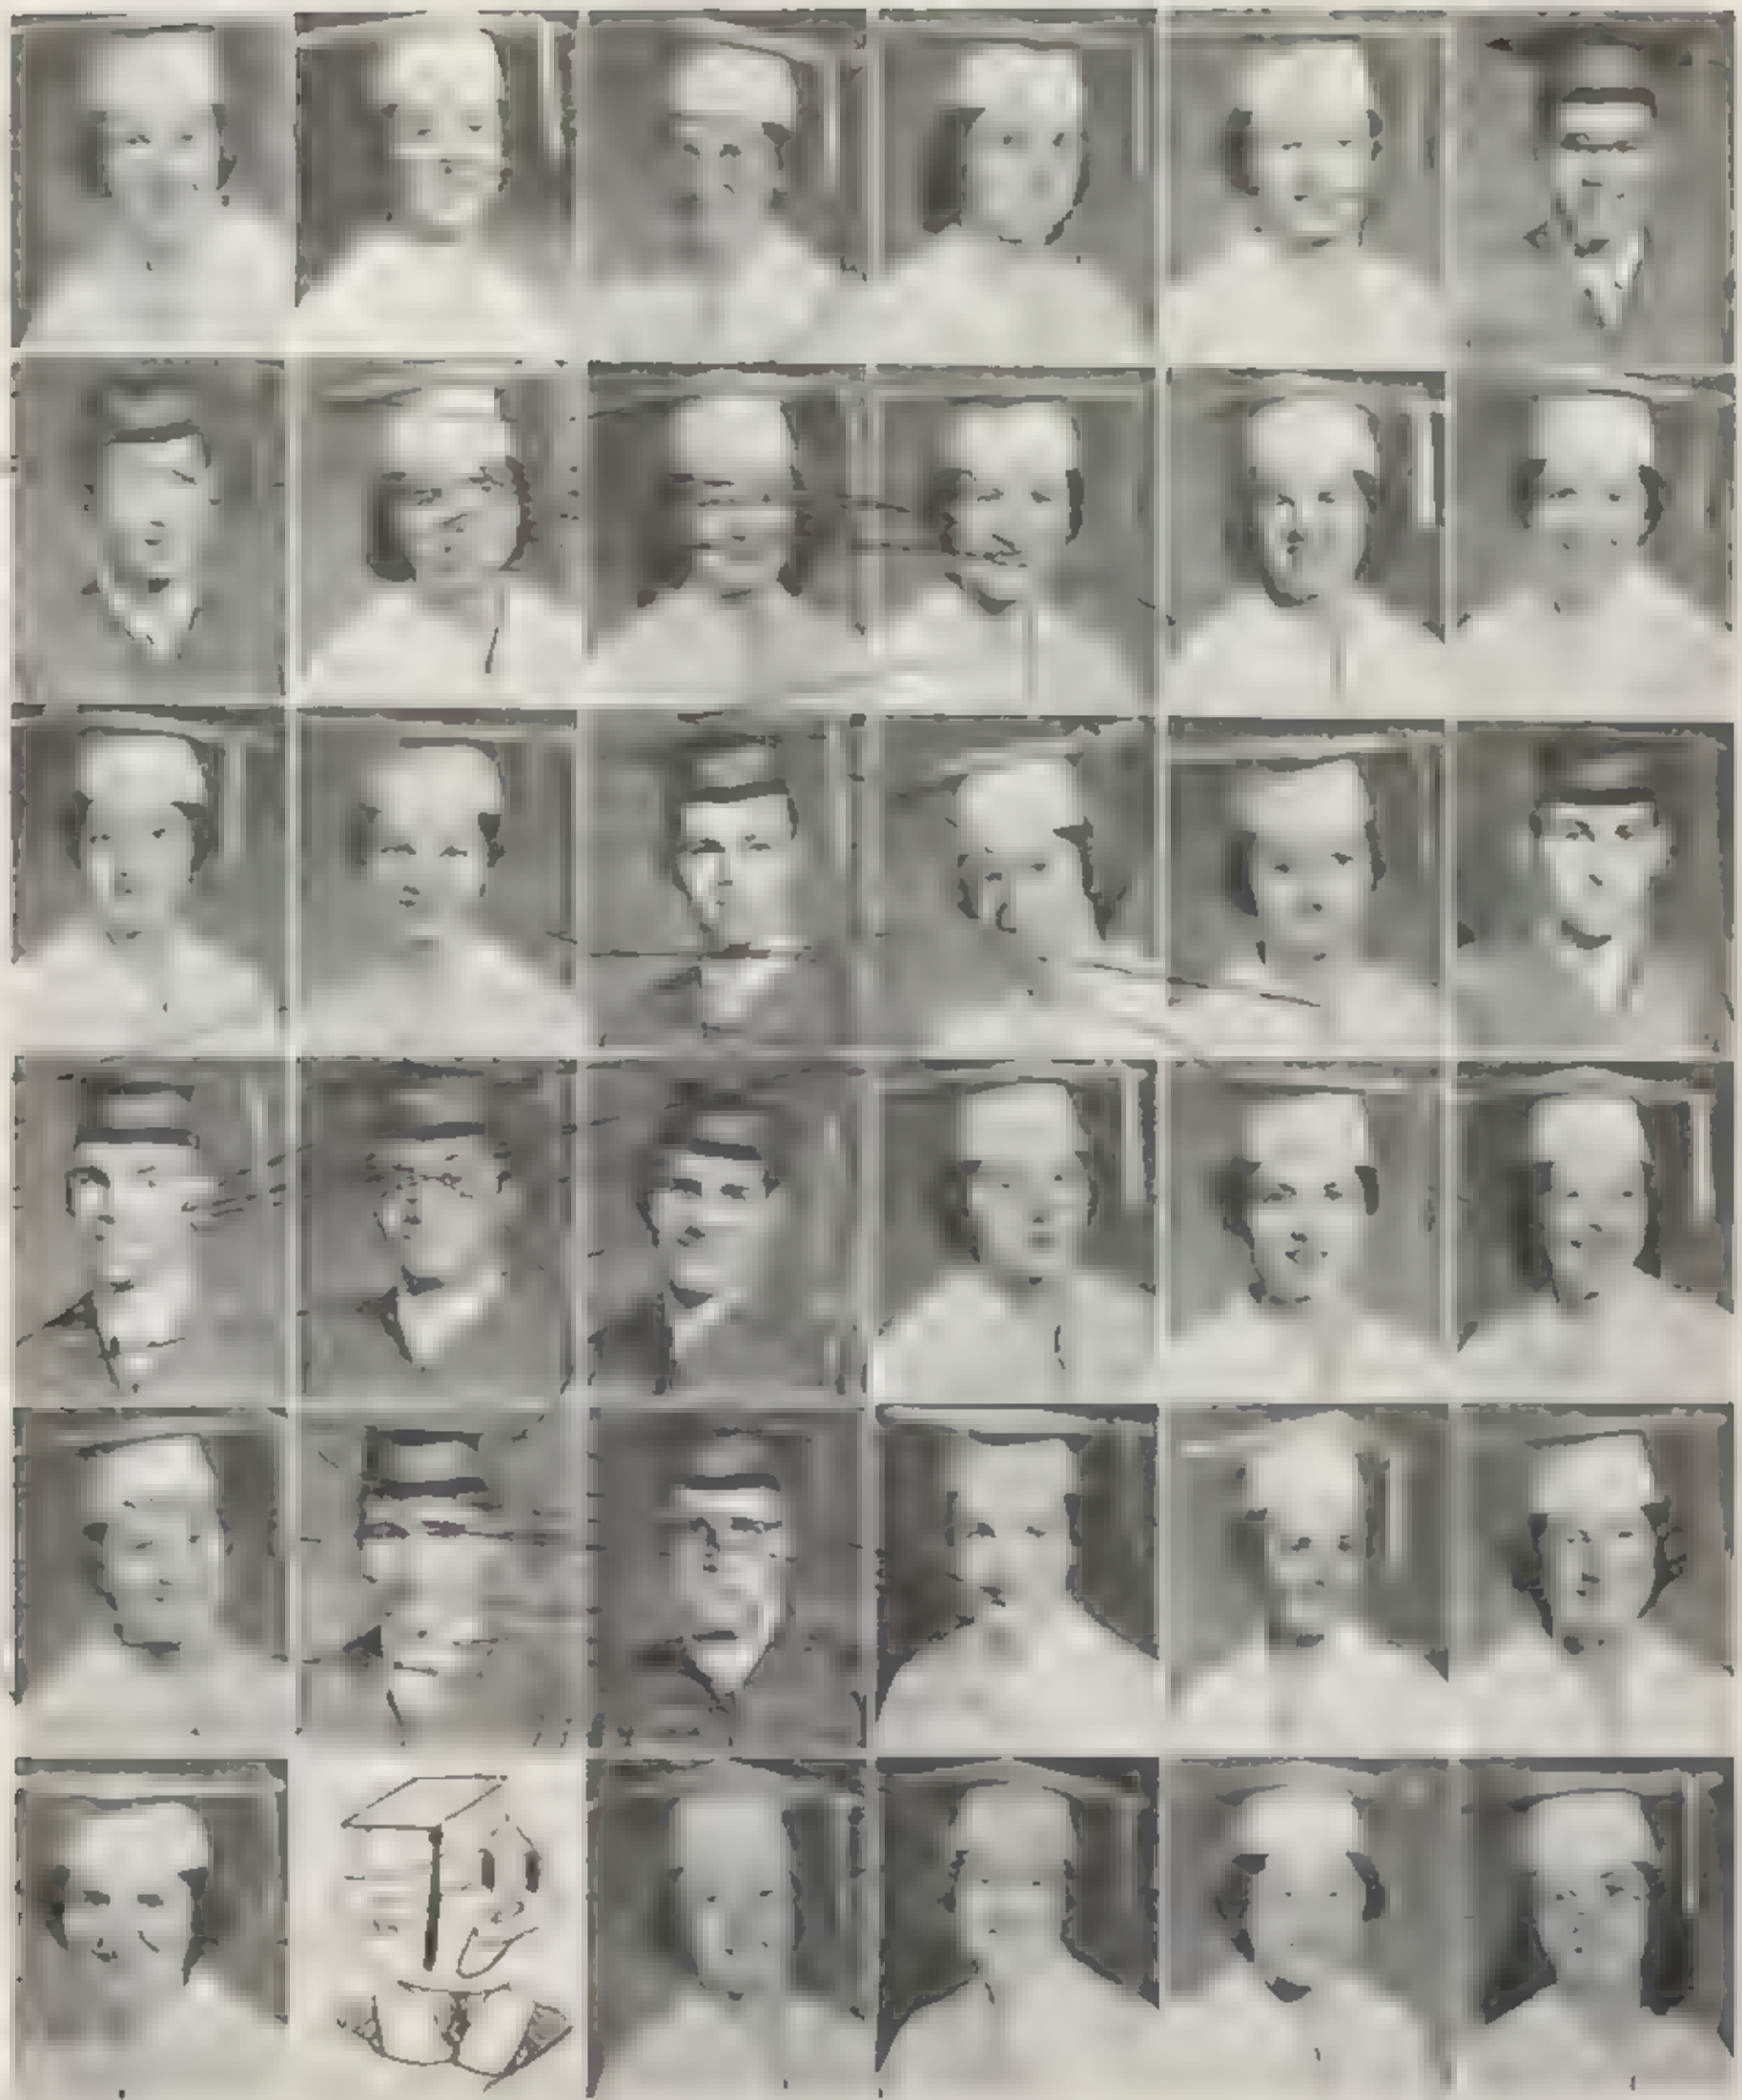

As seniors and future loyal alumni, it is up to us to help those who follow us over the rough roads ahead and to convince them that these roads do lead somewhere.

BOYS' CLUB

Advisor: Ralph Knapp; President: Bill Chatalas,
Vice President: Bud Forman; Second Vice President: Melvin Locke,
Secretary: Bob Kaeser; Treasurer: Pete Acker

Boys' Club is made up of all the boys in Franklin and tries to promote improvement activities. One of the many things Boys' Club carried out this year was the records during lunch to promote a clean-up campaign in the lunchroom. During the lunch periods boys can find entertainment in B.C.O. by playing chess and checkers or listening to the radio.

We, the members of the B.C.O. Cabinet, are proud of Franklin proud of the tradition it has upheld, and have enjoyed the opportunity to work with the students and faculty.

GIRLS' CLUB

Advisor: Blanche Cline; President: Diana Schlesinger,
First Vice President: Arlene Noji; Second Vice President: Linda Jewell,
Recording Secretary: Nan Adams; Corresponding Secretary: Marilyn
Mills; Treasurer: Cindy Swain

Franklin Girls' Club is an organization based on equality. Every girl is automatically a member and has an opportunity to participate in all the activities.

Girls' Club hopes to promote friendship, high standards of behavior, the importance of sharing responsibilities, as well as a chance to have fun together.

We hope that every girl has enjoyed working in G. C. as much as we have this year.

The G. C. Officers

My Creed

*I believe, as a High School girl
of Seattle, I should be
Jovous, courageous, and courteous
Truthful, considerate, and just.
Loyal and sincere in friendship.
Too noble to speak ill of others.
Willing to forgive and forget.
Prompt and gracious in obedience.
Ready to do all possible service.
Quick to appreciate what is done for me.
Respectful to my elders.
True to the best that is within me that
I may become a fine and worthy woman.*

"Goodbye to Franklin, 'The School of Beautiful Girls and Brave Boys'"

My dear friend,
I have just received your letter of the 10th inst.
and am very glad to hear from you.

I am well and hope this finds you the same.
I have been thinking much of late about the future
of our country and the people who live in it.
It seems to me that we are in a very critical
position and that the future of our country
depends upon the wisdom of the people who
are now in power.

I am sure that you will agree with me that
the people who are now in power are not
doing what is best for our country.
I am sure that you will agree with me that
the people who are now in power are not
doing what is best for our country.

I am sure that you will agree with me that
the people who are now in power are not
doing what is best for our country.
I am sure that you will agree with me that
the people who are now in power are not
doing what is best for our country.

... heels are
silvery grey too!

So Cheryl - who is my friend.

... I don't
act it

Remember the good old days when
we used to go out and dance every
night? (What a time!) ... we used to
have some good times, and knowing us
there's more to come.

Just two more years, and our school
year will be over. Of course you have your
happy life with Ed to look forward to. (We)
this summer will work most likely
be working like we can have fun anyway.
We'll have to do some of the things we did last
summer. You won't be able to do all of them
cause you are going steady aren't you? No
more Richard left for you, if you know
what I mean.

You'll have to have a party for Rick,
if nothing else.

What this is all making up to is that
we sure had a lot of stuff this last year.
Some we want to remember and some we won't.
Whether it was good or not or good we sure
have had our share of fun.

lots of luck Cheryl, your one of
my best friends now and probably at
ways will be
don't forget that
Love Always Betty

My Baby

My dear little baby,

and of course, I am

very glad to hear of your

progress in your studies.

I hope you will continue to
improve and I am sure you will.
I am your mother.

Dear Sheryl,

Well, I finally got around to signing this! This really has been a swell year, hasn't it? I sure have had a ball.

It has really been swell knowing you. Let's not let it end with June 6. Since you know where I live, there is nothing to stop you from coming up. I am talking my mother into letting me have a slumber party this summer. We could "rough" it up, and sleep out side. What a riot!!

You, Andy, Betty, Lonnie and Kathy have really made this a swell year for me.

It was neat having you in a boring class like World History.

Next year we'll be in more classes, I hope.

Stay as sweet and nice
as you are

Dianne "Plunk" P.
